POLLWORKERS RULE!

EARN \$100 AND SAVE DEMOCRACY!

State and county Democratic parties are recruiting Democrats to serve as paid pollworkers (\$100) and volunteer observers for the November 4 General Election.

Democrats are needed across county, with bilingual Spanish and Tohono O'odham speakers at a premium. For more information and to throw your hat into the ring go to:

<http://dfamc.com> or email
azpollworker@cox.net

All voters are encouraged to educate themselves on the election process and browse around the MCED website:

recorder.maricopa.gov/web/elections.aspx

You will find a training video at:
recorder.maricopa.gov/elections/electboard.aspx

Because of ongoing shortages of board workers, a 2006 state law allows 16 and 17 year olds to work at the polls on Election Day. They must have parental approval, and the high school must be notified of their intent. Under AZ law, recruiting board workers is the responsibility of the political parties. The Democratic Party is attempting to compile a database of board workers to fill the slots to which we're entitled, including ~3,500 in Maricopa County.

We urge you to join us to ensure fair elections in a historic election year where we expect a huge turnout.

NOTE: Whether you work at the polls or not, please vote early to reduce lines at the polls. If you insist on voting at the polls, you can still get an early ballot, go to the polls and simply drop off your ballot. No waiting!

IMPORTANT VOTING DATES

General Election: Tues, November 4
Voter Registration Ends October 6
Early Voting Begins October 2
Deadline to Request Early Ballot is October 24

ALL HANDS ON DECK!

"You guys are probably pretty tired, right? Well, you should be. Go on home, get a nice hot bath. Rest up... 15 minutes. Then get your asses back in gear... Nothing's riding on this except the, uh, first amendment to the Constitution...and maybe the future of the country. Not that any of that matters..." Ben Bradlee, *All The President's Men*
